

2021 Wheeler Chamber of Commerce Membership

Dear Friend,

The Wheeler Chamber of Commerce is a membership organization of businesses and individuals who are working together to improve the economic, civic, and cultural well-being of the Wheeler Area (not limited by our city limits or geographical lines). Anyone interested in helping promote the area (which means more business, more jobs, and a better standard of living for everyone) is eligible to be a member of the Wheeler Chamber of Commerce.

We are excited for all the events and happenings we have scheduled for our community. We have added several new members and some great programs that we hope not only to inspire you, but encourage you to be a part of us. We are flexible and would like to work with you in a number ways.

- **Service:** As a chamber member, we encourage you to participate and join us for our monthly chamber meetings. If you are interested, please contact Kristen and she will add you to the reminder texts or sign up by going to remind.com/join/wheelercoc
- **Financially:** Included in this packet, you will see the benefits of being a yearly chamber member. The chamber fee is an investment for your business, as well as in the community. This fee is a one-time, yearly fee or you can make monthly or quarterly payments, if needed.
- **Volunteer:** All our events need willing hands, and that comes in so many forms! If you are willing and able, we need you as a part of our team!

We want to encourage you to reach out to us with any questions, concerns or comments you may have. We want you to be a part of the chamber, as we move forward to promote our wonderful community. If there is anything that may hold you back, please come visit with us, as we would like to see what we can do to help. Every person, every business is unique. We want the opportunity to help promote this uniqueness and bring a stronger sense of community for all involved.

Sincerely,

Kristen Moudy, Director
Debbie Finsterwald, President
